PAYMENTS AND REFUND POLICY

Prospero Markets Pty Ltd use “Stripe Payments Australia Pty. Ltd” Merchant Solutions (Stripe) for online payment, order processing, order delivery, and other merchant solutions. Billing occurs at the time of or shortly after your transaction. If a credit card is being used for a transaction, Prospero Markets may obtain preapproval for an amount up to the amount of the order. You agree that you will pay for all products you purchase through the Merchant Solutions, and that Prospero Markets may charge your credit card for any products purchased.

To see how Stripe handles transactions, please read Terms of Use <https://stripe.com/au/privacy>

All sales of products are final. Fees paid for products and services are non-refundable.

Prices for products offered via the Merchant Solutions may change at any time, and the Merchant Solutions does not provide price protection or refunds in the event of a price reduction or promotional offering.

If a product becomes unavailable following a transaction but prior to download, your sole remedy is a refund. If technical problems prevent or unreasonably delay delivery of your product, your exclusive and sole remedy is either replacement or refund of the price paid, as determined by Prospero Markets.
